

BUCKEYE eco[®]

PROPORTIONING PROGRAM

COMPACT.

Install in virtually any custodial closet and maximize storage space with Buckeye's compact Eco Proportioning System.

GREEN.

Eco products are designed for maximum effectiveness while being ecologically safer. Several Eco products are Green Seal™ certified.

FLEXIBLE PACKAGING.

Eliminate product waste with Eco's flexible packaging, delivering a 99.9% product evacuation rate.

SUPER CONCENTRATED PRODUCTS.

The Eco Proportioning System was designed together with a complete line of Eco super concentrated products that reduce labor time and offer superior end-use cost.

PROPRIETARY TECHNOLOGY.

Manufactured with proprietary technology, the Eco Proportioning System's innovative design and Eco super concentrated products produce maximum efficiency.

Why Choose the Buckeye Eco Proportioning Program?

Designed to be fully integrated, the Eco Proportioning System, packaging and chemistry are economical, ecologically friendly, reliable, simple to use and designed for your facility to achieve maximum return on your investment.

Buckeye Eco Product Line

E11

Eco All-Purpose Cleaner

- For use on multiple surfaces using multiple application methods
